

Internship program @bitpanda

Start: 3rd of August 2020

End: 15th of February 2021

Working hours: 20-40

Your mission

Would you like to work for Europe's leading fintech company? We are looking for hands-on interns to come join our international team.

As an intern at Bitpanda, you won't be fetching coffees, you'll be getting full insights into working in a fast-paced scale-up, learning from the best in the industry! We also offer team bootcamps to learn more about the agile work environment, task management, blockchain technology and more!

We are looking for interns in the following departments:

- HR
- Finance
- Business Development
- Product Management
- Marketing
- Legal
- Engineering

Why you

- Relevant Bachelor's or Master's degree
- First work experience is a plus
- Versatile and self-motivated with the ability to work in a team environment and independently
- English proficiency - and depending on the position also German knowledge required

Why us

At Bitpanda we believe in the innovative power of cryptocurrencies, digitised assets, and blockchain technology. With our vision of accelerating the transition to a tokenised world, Bitpanda has the unique aspect of being a leading trading platform for beginners *and* experts. Here is what we can offer our interns:

Benefits

- Flexible working hours
- Newest hardware
- Lunch and gym discounts
- Regular team events and a yearly team trip
- New office in the Viennese Fintech Hub
- Buddy programme
- Sustainable merchandise

Monthly full-time salary:
1,800€ gross
